

# News Update

Summer Term 5 Week 1

17th April 2020

## PHIA MyMaths Primary Portals are to go live!

We are delighted to announce that the children's mymaths 'portals' will **go live from Monday 20th April 2020**. Staff have posted suggested maths activities for the children to enjoy and complete. The generic links will be provided on the [suggested activity timetable](#).

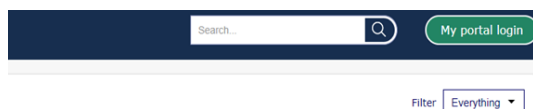

### How to access MyMaths Primary

To access your school's account you will need to log in at [www.mymaths.co.uk](http://www.mymaths.co.uk) using your main school login details.

**School Login:** pound

**Password:** circle116

**Accessing my Portal:** You should have received a Parentmail with your child's portal login details. Once you have logged in via the school account, please click on the 'my portal tab' and enter your child's login and password. Both will consist of either a three digit or three letter combination.

Once your child is logged in to their portal account there will be activities for the children to click on and enjoy.

**Further support in accessing the system can be found at:**

<https://support.mymaths.co.uk/parent-support/walk-through-for-parents/>

## Suggested learning activities: Pirates

Whilst the Academy continues to be closed, staff continue to be working hard to create suggested learning activities for the children to enjoy and best support parents and carers during this unique period.

To further support you in delivering the suggested activities, we will continue to post a suggested weekly timetable linked to the home learning grids on our website. There is a suggested timetable for each year group. We hope you continue to find these useful as a guide.

The theme for this week is linked to 'Pirates'. We remain conscious of ensuring our families enjoy time together and as a result, suggested times for games and activities to enjoy as a family remain. Please see these as a guide.

**Please note, we are fully aware of the potential stresses that could be felt during this time. Please see these suggested activities as a guide and please manage your time under the umbrella of, 'Do what you can!'**

Please remember that you can follow us at <https://twitter.com/PHInfants>

@PHIReception <https://twitter.com/PHIReception>

@PHIYear1 <https://twitter.com/PHIYear1>

@PHIYear2 <https://twitter.com/PHIYear2>

We are really enjoying seeing all the activities that the children are participating in. Staff will continue to share suggested ideas and links during this period.

*We are thinking of you!*
